

Bradley-Bourbonnais Swim Club

2009-2010 Recruiting Discount Form

Hey Dolphins! Help the team grow and help your **friends** to become **teammates**.

Here's how it works:

1. You, the **recruiter** fill out the **Recruiter Information**.
2. Give the form to the new swim **recruit**, who should complete the **New Swim Recruit Information** and bring it with their registration forms at sign-up time.
3. The recruit gets a waiver of the \$25 new-swimmer fee when they join the team.
4. When the new recruit pays their dues and fees in full, the recruiter will get a \$25 dues credit.

Some Rules & Limitations

- Any BBSC Dolphin who has been registered and paid in any previous season, and registers for the Fall-Winter 2009-10 season, may be a recruiter.
- Sorry, members of your immediate family/household already get a discount and are not eligible.
- You may continue to get credit as you recruit as many new swimmers as you can, and there is no cut-off date. However, the team may stop accepting new swimmers at some time after the registration dates if the roster exceeds capacity.
