The Bradley Bourbonnais Swim Club is a local youth swimming program of approximately 80-100 swimmers. The team swims in both the fall/winter and summer swim seasons in the South Suburban Swim Conference. These young athletes, ages 6 through 18, are registered with both Illinois Swimming and the United States Swimming Associations. Swimmers train 4 to 6 hours each week improving their technique. The Dolphin program operates under the direction of a paid coaching staff and volunteer parent board. Our coaches have numerous certificates, accomplishments and qualifications that help make the Bradley Bourbonnais Swim Club successful.

The Bradley Bourbonnais Swim Club is 100 percent self-supporting. Our support comes from dues, fundraisers and the generosity of sponsors like you. We are appealing to local businesses to support our local youth swim team. We would be grateful for your tax-deductible contribution. These young athletes display an impressive amount of hard work and dedication at such young ages. By supporting this swim team, you will be encouraging youth in an activity that promotes self-esteem and discipline, and develops a solid work ethic.

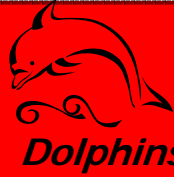

- Sponsorships of \$250 or more, received before September 26<sup>th</sup>, will be acknowledged with your company name and logo (2 color limit) in large bold print on the back of the team shirt.
